

CAMERON HAYES

Head of Investor Relations | Senior IR & Capital Markets Leader

Helsingør / Copenhagen, Denmark | +45 29 29 94 45 | cameronhayes11@hotmail.com

[linkedin.com/in/cameronhayesir](https://www.linkedin.com/in/cameronhayesir) · Canadian citizen, 7 years in Denmark · Work visa sponsorship required

PROFESSIONAL SUMMARY

Investor relations leader who has owned the IR function of Nasdaq Copenhagen-listed companies through transformation, cross-border merger and turnaround. Builds and defends clear, differentiated equity stories for complex, asset-heavy industrial and infrastructure businesses; runs the full quarterly and annual reporting cycle; and prepares CEOs, CFOs and Boards for earnings, roadshows and M&A communications. Grew analyst and investor following toward C25-level coverage, directly increasing share visibility and liquidity. Native English speaker with deep Danish and international capital-markets networks, strong financial modelling and valuation skills, and a track record of professionalising lean IR setups and operating with a high degree of independence alongside senior leadership.

CORE COMPETENCIES

Differentiated Equity Story Development • Quarterly & Annual Reporting • Sell-Side & Buy-Side Engagement • Investor Targeting & Visibility / Liquidity Building • Earnings, Webcast & Roadshow Preparation • Transformation, Turnaround & M&A Communications • Executive & Board Briefing • Regulatory Disclosure (MAR) • Financial Modelling & Valuation • Consensus Management • ESG / Sustainability Reporting • Professionalising Lean IR Functions • AI-Assisted Research & Drafting (Claude) • Bloomberg & IR CRM (Q4 / Nasdaq IR Insight)

PROFESSIONAL EXPERIENCE

Nilfisk — Copenhagen, Denmark

Sep 2024 – Oct 2025

Head of Investor Relations (Apr 2025 – Oct 2025); Investor Relations and PMO CFO Area Manager (Sep 2024 – Apr 2025)

- Led and owned the full IR function for a Nasdaq Copenhagen-listed global industrial manufacturer, reporting to the CFO and acting as primary capital-markets interface during a period of portfolio and performance transformation.
- Shaped and articulated the equity story across earnings, investor presentations and ad-hoc MAR disclosures, translating complex financial and operational results into a clear, consistent investment case.
- Ran the end-to-end quarterly and annual reporting cycle — earnings releases, investor presentations, webcast scripts and Q&A — working directly with the CEO and CFO.
- Served as primary point of contact for sell-side analysts and institutional investors, managing the analyst community and the consensus-estimate process.
- Directed the annual report and ESG / sustainability disclosures in line with Danish and EU regulatory requirements.
- Drove the professionalisation of a lean IR setup, leading CFO-area initiatives across investor targeting, perception analysis, reporting-process automation and capital-markets-day planning.

NKT A/S — Copenhagen, Denmark

Aug 2023 – Sep 2024

Investor Relations Specialist

- Supported IR for a Nasdaq Copenhagen-listed power-cable and energy-infrastructure leader through a period of strong electrification- and grid-driven demand and share re-rating.
- Onboarded and managed relationships with 20+ sell-side analysts and major institutional shareholders as NKT progressed toward becoming a C25 company — a direct increase in share visibility and liquidity.
- Produced quarterly results materials, investor presentations and consensus models, coordinating inputs across group finance, business finance and corporate communications.
- Managed the analyst and investor engagement calendar, including roadshows, broker conferences and capital-markets-day preparation.
- Tracked share-price performance, peer benchmarking and shareholder-register movements to inform management and the Board.

Noble Corporation — Copenhagen, Denmark

Oct 2022 – Jun 2023

Investor Relations Manager

- Provided IR continuity through the 2022 cross-border merger of Maersk Drilling and Noble Corporation, supporting the combined offshore-drilling leader dual-listed on the NYSE and Nasdaq Copenhagen.
- Managed quarterly earnings communications and investor engagement during post-merger integration, articulating synergy delivery and the combined equity story to a US and European investor base.
- Coordinated investor materials and analyst interactions across two listing venues and time zones, supporting a seamless transition for legacy shareholders.

Maersk Drilling — Copenhagen, Denmark

Sep 2019 – Oct 2022

Investor Relations Manager (Jan 2021 – Oct 2022); Junior FP&A Analyst (Sep 2019 – Jan 2021)

- Built and ran investor relations for a Nasdaq Copenhagen-listed offshore-drilling contractor through a volatile energy cycle, owning quarterly reporting, analyst relationships and investor materials.
- Prepared earnings releases, investor presentations and webcast materials; supported the CEO and CFO at roadshows and investor conferences.
- Led the IR workstream into the Noble merger, contributing to transaction communications and shareholder messaging across two listing venues.
- Began career in FP&A before transitioning into IR in January 2021 — building financial models, supporting budgeting and forecasting cycles, and producing management reporting that informed senior-leadership decisions.

Professional Investments (Kingston) Inc. — Ottawa, Canada

Jan 2018 – Sep 2019

Financial Services Associate

- Managed and grew relationships with high-net-worth individual clients, analysing client portfolios and advising on long-term financial goals; also licensed as an independent life insurance agent.
- Developed the client-facing communication, trust-building and relationship-management skills that now underpin engagement with institutional investors and analysts.
