

THE SPRING RESET

Eight small moves

Most of it free. Tear this page out, or don't.

-
- Open every window for an hour. Let the winter air out.
 - Fold and store one heavy textile per room.
 - Take one object off every surface. Don't replace it.
 - Swap one heavy curtain for pale, unlined linen.
 - Cut one branch from outside; put it in a tall vase.
 - Pull the furniture a few inches off the walls.
 - Donate, don't store, the things you cleared and won't miss.
 - Leave one cleared surface empty for a week. Notice the calm.
