

ONE THRESHOLD, THREE BUDGETS

A summer breakfast spot

A seat at the open door, a tray, a cold drink, one stem — at three budgets. The pause doesn't change with the price.

THE STARTER · \$

A tatami cushion at the door, an acacia tray, a stoneware cup, a stem in a bud vase. Under fifty, and the morning has a place to happen.

THE CONSIDERED · \$\$

Add the slatted bench, a sheer linen panel for the doorway, the stoneware pitcher. The threshold becomes a room of its own.

THE HEIRLOOM · \$\$\$

A solid-wood bench kept for decades, full hand-thrown stoneware, a single framed print on the wall behind. The edge of the house, made permanent.
