

ONE TABLE, THREE BUDGETS

An autumn gathering

A warm table for a few — stoneware, low light, dried stems, one shared pot — at three budgets. The welcome doesn't change with the price.

THE STARTER · \$

Stoneware mugs, a terracotta vase of dried pampas, a wool throw over the chair, candles from the drawer. Under fifty, and the table is warm.

THE CONSIDERED · \$\$

Add the full stoneware set, the donabe at the centre, the rattan floor lamp glowing in the corner. The gathering has a room.

THE HEIRLOOM · \$\$\$

A pair of solid oak dining chairs kept for a generation, a single framed tonal print on the wall behind, hand-thrown everything. The table you host at for decades.
